FYI

Also, I believe the tribal leaders meeting is tentatively scheduled for 12/12 not 12/13.

Hi Dave and Chance,

FYI – we received the attached NOI from NWEA. Please note that our action on the WA SMS revisions has been added to the list of pending WQS claims. We were aware of Nina's interest in these issues but she has now formalized them in a NOI. We should plan to check in sometime in the next few weeks about our gameplan moving forward.

On a related note, I believe you are aware that a meeting with Dennis and Maia has been scheduled with WA tribal leaders on 12/13. While the primary focus is likely to be treaty rights, human health criteria, and implementation tools, the tribes are apparently considering adding SMS revisions to the agenda. We will let you know if we hear anything more. Have a nice weekend.
